PRESIDENT: Under the rules it is 2 days and under the constitution it is 1 day. We can suspend the rules, but try as we may we can't suspend the Constitution. Senator Marsh for what purpose do you rise?

SENATOR MARSH: Mr. President, simply to comment that this is the same bill which has stood on Final Reading. We did not change that bill in any shape or form. It has had its constitution time of one day waiting for Final Reading. It was not changed, even though it was momentarily returned to Select File. No action took place on Select File and by a machine vote it was returned....

PRESIDENT: For what purpose do you rise Senator?

SENATOR MARSH: I challenge the Chair, I feel that we can move it today.

PRESIDENT: Well....(inaudible comments from the floor)
She challenged the ruling of the Chair. The Chair ruled that under the Constitution of Nebraska a bill must be on Final Reading file for one day and it was just referred to Final Reading and is there any discussion on the appeal? Senator DeCamp, do you wish to be heard on the appeal?

SENATOR DE CAMP: Yes, I do Mr. President. I don't believe that we should risk or jeopardize the bill on this technicality. I'm not sure that anybody gains overruling the Chair on this because if the Chair happens to be right, and you over rule the Chair you can't over rule the cotton picking Constitution and this is simply a Constitutional question. I think that you are tampering with the bill on the one technicality. I'm not trying to hurt the bill, but I'm trying to save the dog gone thing.

PRESIDENT: Senator Shirley Marsh to be heard on the matter of appeal.

SENATOR MARSH: With that comment from the Chairman of the Rules Committee, I would ask unanimous consent to withdraw my motion.

PRESIDENT: You don't need unanimous consent. The appeal is dismissed.

CLERK: Senator Anderson asked to be excused at 3:15 on Monday until he arrives.

Mr. President, Senator Dworak asks unanimous consent to print amendments in the Journal to LB525.
